Mr. Mark Allen Treadwell, III

AUG 15, 1958 - DEC 5, 2024

Funeral Service for Mr. Mark Allen Treadwell, III , 66, of Dadeville, Alabama, will be held on Monday, December 9, 2024 at 11:00 am at Dadeville First United Methodist Church. Rev. Steve Lyles will officiate. Burial will follow in the Dadeville City Cemetery.

Mark Allen Treadwell, III, better known as MA, departed this earthly life and transitioned into Heaven on Thursday, December 5, 2024. Born in Opelika on August 15, 1958, he was the son of the late Mr. Mark Allen Treadwell, Jr. and the late Mrs. Joyce Marie Smith Treadwell. MA graduated from the University of South Alabama in 1980 with a Biochemistry degree. He was President and member of Pi Kappa Alpha fraternity where he made some of his best friends with whom he stayed in contact with for the remainder of his life. MA later took additional graduate studies in Chemical Engineering at Auburn University. He spent ten years working for Alabama Power in nuclear generation at the Farley Nuclear Plant in their Dothan and Birmingham locations. In 1990, he graduated from Birmingham School of Law where he was elected President of his class. After practicing law in Birmingham, MA returned to Dadeville and joined the law firm of Oliver and Sims, which later became Oliver and Treadwell. He also served as Dadeville's Municipal Judge for over twenty years.

On March 25, 1995, MA married the love of his life, Karen Daniels of Birmingham, and shared many years of love, laughter, and adventure. They treasured raising their children, Scout and Adeline. He was a lifetime member of Dadeville First United Methodist Church and sang in the choir. MA loved his community and his life-long friends. He was respected by his peers and had a reputation of being fair and honest along with being known as a sharp dressed man. No outfit was complete without his signature monogram somewhere on them. MA was a man of many talents, but none compared to his ability in the kitchen as he was also known for being a chef extraordinaire. In his free time, he could be found playing golf at Willow Point Country Club with the "Good Ole Boys," or "GOB's" as they were known, which included some of his dearest friends. MA treated everyone with kindness and respect. He lived a fulfilled life faithful to his Savior, his family, and his community.

Mr Treadwell has been my family's attorney for over 10 years, and was working on a case for us at the time of his death. He was like family to us! We are completely saddened at his passing. He always gave his best in every case he worked on for us. He will be remembered for his honesty, integrity, humor and being the best dressed attorney in the courtroom. I knew MA from Farley Nuclear Plant as he was one of my supervisors. He was a kind , smart and generous person with whom I had a lot of respect for. I saw him at the UofA sometime back coming out of the elevator at the Embassy Suites.. Still the same MA. We all have missed him so much after he moved to B'ham to work at corporate. Our hearts are broken to loose such a gifted soul. God bless, comfort and bring peace to his loving family. We will see him again one day.Priscilla Andrews (Dothan, Al)

When i once gave a presentation to the Kiwanis club in Dadeville, someone asked MA if his power had been out that morning and MA curiously asked why? And no it hadn't been and he was obviously thinking he had missed something and the fellow kiwanian said " well it looks like you got dressed in the dark!" I was proud to win the look like MA contest at one of his birthday parties! I will always remember MA dressed in khaki shorts polo shirt sweater vest(monogrammed of course) in his bean duck shoes washing the cars! We talked south Alabama football everyday at the Wellness Center because as the only two alumni in town we were the only two poor souls who gave a damn about it! I will miss our daily rants and his unique style. God Bless his beautiful family! you all are in our thoughts and prayers.

My daughter, Rebekah loved to babysit Scout and Adeline. They were such sweet girls. When Rebekah had Hodgkins Lymphoma, she was scared and worried about so many things.However Karen and MA continued to have her watch the girls. That helped Rebekah get through her ordeal. I pray they we can bring some comfort to yours. Love and prayers ,
Danette.=

Weeping may endure for a night, but joy cometh in the morning. I worked with Karen years ago at LMCH and she is a great person also. Mark was always friendly and polite. We are all Blessed to have known him. He will truly be missed. May the Lord Bless his family and friends during this time and the days ahead.
